

ENROLLED ORDINANCE 159-37

CREATE FULL-TIME PSYCHIATRIST POSITION AND ABOLISH
PART-TIME PSYCHIATRIST POSITION

WHEREAS, the Health and Human Services Department currently has a part-time Psychiatry vacancy, and

WHEREAS, the Health and Human Services Department has received a limited number of applicants for the current part time Psychiatrist position, and has been unsuccessful in recruiting the psychiatrists to whom the part-time position has been offered, and

WHEREAS, in the process of recruiting, the Health and Human Services Department has determined that combining the funding of the existing part-time position with the funding for contracted psychiatrist hours could fund a full-time position which would result in a larger potential candidate pool, and

WHEREAS, the creation of a full-time Psychiatrist position would assist in recruitment and provide the additional benefit of greater continuity of care, and

WHEREAS, the Health and Human Services Department 2004 Budget includes contracted psychiatric services expenditure authority available to transfer to cover the increased personnel costs, and

WHEREAS, the creation of a full-time Psychiatrist position would result in no additional costs to provide these services.

THE COUNTY BOARD OF SUPERVISORS OF WAUKESHA COUNTY DOES ORDAIN that effective upon final approval of this ordinance, one regular part time position of Psychiatrist, \$4,787.16 - \$5,887.25 biweekly, be abolished and one regular full time position of Psychiatrist, \$4,787.16 - \$5,887.25 biweekly, be created in the Department of Health & Human Services.

BE IT FURTHER ORDAINED that \$20,000 associated with contracted psychiatric services in the Human Services Fund be transferred from operating expense appropriations to the personnel Cost appropriation unit in the Human Services Fund to cover the estimated 2004 costs associated with this position change.
